MATSENO LE LEMORAGO

Gold Fields Operations Limited (GFO) le GFI Joint Venture Holdings (Pty) Limited (GFI Holdings) ba dira mmogo mo maemong a bone jaaka batsayakarolo mo kgwebong e e kopanetsweng e e sa kopanngwang (JV) e e bidiwang South Deep JV. South Deep Gold Mine e tlhomile Manyabe Consultancy (Pty) Ltd (morago ga fano go bidiwa MC), jaaka Motlamedi wa Ditirelo tsa Porofesinale (PSP) - Modiri wa Tshekatsheko ya Tikologo (EAP), go kopanya le go baakanya WUL le mametlelelo ya yona, e e neetsweng go South Deep JV: South Deep Gold Mine.

Moepo o kwa Westonaria, mo Mmasepaleng wa Selegae wa Rand West City (RWCLM), mo Mmasepaleng wa Kgaolo ya West Rand (WRDM). South Deep Gold Mine e mo kgaolong ya magiseterale ya Westonaria, e e ka nnang dikhilomitara di le 45 kwa borwa-bophirima jwa Johannesburg le dikhilomitara di le 10 kwa borwa jwa Westonaria, mo Porofenseng ya Gauteng, jaaka go supilwe mo Setshwantshong 1. Lefelo le fithelelwa ka tsela ya porofense ya R28 fa gare ga Westonaria le Vereeniging kgotsa ka tsela ya bosetšhaba ya N12 fa gare ga Johannesburg le Potchefstroom, mme le mo kgaolong e kgolo ya meepo ya gauta ya Aforika Borwa, e leng Mokgatšha wa Witwatersrand (Witwatersrand Basin).

Dithoto tse dikgolo tse moepo o welang mo go tsone ke Doornpoort 347IQ; le Modderfontein 345 IQ. Lefelo la khiri ya moepo le bontshiwa mo Setshwantshong 2. Fa Doornpoort Tailings Storage Facility (TSF) e le kwa ntle ga lefelo la khiri ya moepo, e mo setsha se e leng sa moepo jaaka go supilwe mo mafelong a Freehold mo Setshwantshong 3. Kgaolo ya South Deep Gold Mine e akaretsa kgaolo e e ka nnang diheketara di le 7 452.

Moepo o sale o dira fa e sale ka dingwaga tsa bo 1970. Botshelo jwa ga jaana jwa Moepo (LoM) bo fopholediwa go nna dingwaga di le 76 (2098). Go fopholediwa gore South Deep Gold Mine e na le dibara tsa gauta tse di fetang 80 470 tsa bullion tsa gauta, tse di ka epiwang ka mekgwa ya go epa ka fa tlase ga lefatshe mo dingwageng di le 76 tsa LoM ya ga jaana. Bogolo jwa tiro ya moepo bo bontshiwa mo Setshwantshong 1 **Error! Reference source not found..**

South Deep JV: South Deep Gold Mine ke motshodi wa Tshwanelo ya Meepo (MR) e e neng ya newa ke Lefapha la Diminerale le Ditsompelo tsa Petroliamo (DMPR) ka 2010. MR e naya South Deep JV: South Deep Gold Mine tshwanelo ya go epa gauta, selefera, nikele,

yuraniamo, kopore le pyrite. MR e ne ya fetolwa go ya ka Item 7 ya Schedule II ya Mineral and Petroleum Resources Development Act, 2002 (Act No. 28 of 2002) (MPRDA) mabapi le kgaolo ya meepo e e dirang diheketara di le 4,268, e kwadisitswe mo Kantorong ya Tiro le Petrolest Re paka e e khutlang ka 12 Phukwi 2040.

South Deep JV: South Deep Gold Mine e ne ya newa WUL kwa tshimologong go ya ka Chapter 4 ya National Water Act, 1998 (Act No. 36 of 1998) (NWA) ka la bo 21 Ngwanaitseele 2011 (Nomoro ya Laesense: 03/C22J/ACFGIJ/1369). Go tloga ka 2016 go ya go 2017, South Deep JV: South Deep Gold Mine e supile diphoso dingwe mo WUL e e ntshitsweng, ke gore, diphetogo tsa dilekanyo tse di neng di le kgatthanong le se go neng go kopilwe. Diphetolo tse dingwe di akareditse go okediwa ga dikhuti tsa go tlhotlhora, tse di tlhomilweng bogolosegolo go laola kgotlhelo e e dikologang di-TSF le Matamo a Metsi a a Boelang (RWD), a go tlosa le go thibela kgotlhelo mo di-TSF ka go ntsha metsi a a kgotletsweng mo di-aquifer. WUL e ne ya ntshiwa ka la bo 19 Ngwanatsele 2018 (e e emisetsang WUL ya 2011) (Nomoro ya Laesense: 08/C22J/GCEFIJA/8705). WUL ya 2018 le yone e ne e na le diphoso. Mametlelelo ya WUL e e ntshitsweng e ne ya ntshiwa ka di 29 Phukwi 2021.

WUL e dumelela tiriso e e latelang ya metsi, ka fa tlase ga Karolo 21 ya molao:

- (a) Go tsaya metsi mo motsweding wa metsi.
- (c) Go kgoreletsa kgotsa go faposa kelelo ya metsi mo moseleng wa metsi.
- (e) Go dira tiro e e laolwang.
- (f) Go ntsha leswe kgotsa metsi a a nang le leswe mo motsweding wa metsi ka peipi, mosele, mosele, kgeleloleswe kgotsa mosele o mongwe.
- (g) Go latlhela matlakala kgotsa metsi a a nang le matlakala mo motsweding wa metsi.
- (i) Go fetola bolao, tsela ya mabopo kgotsa diponagalo tsa moela wa metsi.
- (j) Go tlosa, go ntsha kgotsa go latlha metsi a a fitlhelwang ka fa tlase ga lefatshe fa go tlhokega gore tiro e tswelile pele ka tsela e e nang le matswela kgotsa gore batho ba babalesege.

South Deep JV: South Deep Gold Mine e ntse e sebetse dilemo tse fetang 50 mme e sebetse meepo e ka tlasa lefatshe e nang le polante e le nngwe ya ditshipi le dithulaganyo tse pedi tsa dišafote tse sebetang: South Shaft complex le Twin Shaft complex. Moago wa South Shaft o akaretsa šafote e kgolo le dišafote tse tharo tse di kwa tlase tse di emeng, tse pedi tsa tsona di a dirang. Motswako wa Twin Shaft o na le šafote e kgolo ya barele e le nngwe ya go tsholetsa badiri, didirisiwa tsa matlapa le šafote e e bapileng le yone ya go tsenya mowa e e nang le bratticed, e e dirisediwang go goga mowa o o dirisitsweng le go tsholetsa matlapa. Moago wa South Shaft o dira go ya kwa boteng jwa dimitara di le 2 650 ka fa tlase ga lefatshe, mme moago wa Twin Shaft o dira go ya kwa boteng jwa dimitara di le 2 995 ka fa tlase ga lefatshe.

South Deep JV: South Deep Gold Mine's ditiro di kwa boteng mme ka jalo di tlhoka mafaratlhatlha a a botlhokwa a go tsidifatsa. The South Deep JV: South Deep Gold Mine tshebetso e na le phihlelo ho keriti ya motlakase wa naha, keriti ya letsatsi ya Khanyisa ya moepo, meralo ya motheo ya metsi le ditsela mme e haufi le ditsi tsa ditoropo tsa lebatowa moo e ka fumanang thepa le ditshebeletso tse hlokehang.

Jaaka karolo ya thulaganyo ya Kopo ya Laesense ya Tiriso ya Metsi e e Kopantsweng (IWULA), MC e kokoantse IWWMP ya WUL e e tshithintsweng le diphetolo tsa yona tsa tlaeletso, le porojeke ya go kopanya. IWWMP ke karolo ya kopo ya IWULA ya WUL e e tshithintsweng le diphetolo tsa yona tsa tlaeletso, le porojeke ya go kopanya.

LEFELO

Moepo o kwa Westonaria, mo Mmassepaleng wa Selegae wa Rand West City (RWCLM), mo Mmassepaleng wa Kgaolo ya West Rand (WRDM). South Deep Gold Mine e mo kgaolong ya magiseterale ya Westonaria, e e ka nnang dikhilomitara di le 45 kwa borwa-bophirima jwa Johannesburg le dikhilomitara di le 10 kwa borwa jwa Westonaria, mo Porofenseng ya Gauteng, jaaka go supilwe mo Setshwantshong 1. Lefelo le fitlhelwa ka tsela ya porofense ya R28 fa gare ga Westonaria le Vereeniging kgotsa ka tsela ya bosetšhaba ya N12 fa gare ga Johannesburg le Potchefstroom, mme le mo kgaolong e kgolo ya meepo ya gauta ya Aforika Borwa, e leng Mokgatšha wa Witwatersrand (Witwatersrand Basin).

South Deep JV: South Deep Gold Mine ke mong wa MR ya dithoto tse di mo teng ga South Deep Gold Mine lefelo la molelwane. Fa tlase fano ke lenaane la dipolase tse e leng tsa South Deep JV: South Deep Gold Mine, mo teng ga tiriso ya metsi e e dumeletsweng le e e tshithintsweng e leng teng:

DITIRISO TSE DI TSHINYELWANG TSA METSI

Thulaganyo ya IWULA e dirwa go ya ka Melawana ya WULA le ya Boikuelo e e gatisitsweng mo GNR. 267 ya letlha la 24 Mopitlwe 2017.

Dipatlisiso tsa pele ga kopo di ne tsa romelwa kwa Department of Water and Sanitation (DWS) ka la bo 17 Phukwi 2023. Kopo ya kopano ya pele ga kopo e amogetswe ka la bo 11 Phatwe 2023.

Ketelo ya lefelo/ kopano le badiredi ba DWS e ne ya bidiwa ka la bo 31 Phatwe 2023.

Go tswa mo ketelong/ kopanong ya lefelo, MC o ne a kopiwa ke DWS go romela mo boemong jwa South Deep JV: South Deep Gold Mine, IWULA ya go kopanya le go baakanya di-WUL tse di neetsweng South Deep JV: South Deep Gold Mine.

DWS gape e gakolotse gore South Deep JV: South Deep Gold Mine le yona e akanyetsa go batlisa tiriso ya metsi mo teng ga moepo otlhe, gore go romelwe kopo e e kopantsweng ya go ntsha Laesense e e fetotsweng ya Tiriso e e Kopantsweng ya Metsi (IWUL), e e tla akaretsang tiriso yotlhe ya metsi e e ka tswang e ne e sa letlelelwa.

MC e dirile malatsi a le matlhano (5) a go etela mafelo a South Deep JV: South Deep Gold Mine sethlopha. Diketelo tsa mafelo di ne tsa dirwa go tlhloganya tikologo e e amogelang le ditiro tsa ga jaana. Go dirilwe tiro ya go tlhatlhoa go tlhomamisa ditiro tse di maleba le molao o o maleba le tlhokego ya gore kopo e tsenngwe kwa DWS.

Go ne ga bidiwa kopano ya bothati le DWS ka la bo 09 Motsheganong 2025 go tlhagisa diphithelole tsa patlisiso/ tshekatsheko ya tiriso ya metsi mo teng ga moepo otlhe. MC o ne a gakololwa go romela ditokomane tsa Kgato 1, tse di tlhalosang tiriso yotlhe ya metsi e e supilweng (e e letleletsweng le e e tla letlelelwang). Kgato 1 Kopo: Dintlha tsa kopo ka ga dipoelo tsa kopano ya pele ga kopo di ne tsa laisiwa. Ditokomane di rometswe ka 06 Ngwanaitsele 2025.

Ketelo e nngwe ya lefelo e ne ya dirwa ka 10 Tlhakole 2026, go na le baemedi ba DWS le South Deep: South Deep Gold Mine baemedi. Go ikaegilwe ka dipoelo tsa kopano, DWS e ne ya bula gape Kgato 1 go romela tshedimosetso e nngwe; le paakanyo ya tiriso ya metsi e e dirwang kopo ka 13 Motsheganong 2026.

Sekwalwa sa terafu ya IWWMP se tsenngwa mo PPP go tshwaela mme se bopa karolo ya kopo ya thomelo ya Kgato 3. Pegelo e dirwa gore e nne teng go sekasekwa le go tshwaelwa malatsi a le 60 go tloga ka **Labotlhano, 10 Phukwi 2026** go fitlha ka **Labone, 10 Lwetse 2026 (malatsi a le 60)**. IWWMP e tla konosediswa go romelwa kwa DWS jaaka karolo ya ditokomane tsa setegeniki tsa go tsaya ditshwetso.

WUL e e tshitshintsweng le diphetolo tsa yona tsa tlaletso, le porojeke ya go kopanya di tlhoka Karolo 21 (a), (b), (c), (e), (f), (g), (i), (j) WULA, ya tiriso e e latelang ya metsi.

DITLHOKEGO TSA MOLAO

Kopo e e tshitshintsweng e batla go tlhoka tetelelo ya tiriso e e latelang ya metsi:

Tshobokanyo ya Ditiriso tsa Botlhokwa tsa Metsi le Melatswana ya Matlakala

Ga jaana, ka fa tlase ga WUL ya 2018 le mametlelelo ya yona, South Deep JV: South Deep Gold Mine e letleletse tiriso e e latelang ya metsi ka fa tlase ga Karolo 21 ya NWA:

- Karolo 21 (a): Go goga metsi go fokotsa kgotlhelo ya kgotlhelo; le go dira meepo.
- Karolo 21 (c) le (i): Ya go kgabaganya ditsela le dipeipi, go faposa dinoka le ya thulaganyo ya go kgaoganya metsi a pula.
- Karolo 21 (e): Go nosetsa di-TSF le mafelo a dišafote ka metsi a a tswang mo di-RWD, Matamo a Taolo ya Kgotlelego (di-PCD) le Ditiro tsa Phepafatso ya Metsi a a Leswe (WWTW).
- Karolo 21 (f): Go ntsha metsi a a feteletseng a a ka fa tlase ga lefatshe.
- Karolo 21 (g): Go latlha seretse sa gauta, metsi a a leswe go tswa mo di-TSF go tsena mo di-RWD, di-PCD, Matamo a Cascade, di-RWD, Di-Settler, le Ditanka tsa Metsi a Moepo.
- Karolo 21 (j): Go tlosa metsi a a fitlhelwang ka fa tlase ga lefatshe go tswela ka bokgoni jwa moepo kgotsa pabalesego ya batho.

WUL e e tshitshintsweng le ditlholobolo tsa yona tsa tlaletso, le porojeke ya go kopanya di tlhoka teta ya tiriso ya tlaletso ya metsi ka fa tlase ga Karolo 21(a),(b),(c),(e),(f),(g),(i) le (j), ka tsela e e latelang:

- Karolo 21 (a): Go ntsha metsi go fokotsa kgotlhelo, le go dira meepo, mmogo le go dira di-sump tsa go kokoanya metsi a pula go tswa kwa Doornpoort TSF go latlhelwa mo RWD.
- Karolo 21 (b): Ya go boloka Metsi a a Nowang mo Matamong a Metsi a a Nowang.
- Karolo 21 (c) le (i): Go kgabaganya ditsela le dipeipi, go faposa noka le go tsenngwa ga metara ya kelelo mo phaposong, setoko sa mmu o o kwa godimo, go tlosa tiriso ya RWD ya bogologolo le Tsosoloso ya Mafelo a a Metsi, WWTW, tlhabololo ya RWD, Lefelo la Polante ya go Tlatsa Morago (x5 Ditanka tsa Metsi tsa Moepo wa Borwa), Shaft: Dipeipi tsa 2x (go isa metsi kwa Twin le Shaft ya Borwa), Polante ya Letsatsi ya Khanyisa, Twin Shaft le mafaratlhatlha a a amanang le yona, Shaft ya Borwa le Mafaratlhatlha a a Amanang le yona.
- Karolo 21 (e): Go nosetsa di-TSF le mafelo a dišafote ka metsi a a tswang mo di-RWD, di-PCD le metsi a a phepafaditsweng go tswa mo WWTW.
- Karolo 21 (f): Go ntsha leswe le le phepafaditsweng, mmogo le go ntsha metsi a a feteletseng a a ka fa tlase ga lefatshe le metsi a a phepafaditsweng go tswa kwa Dipolanteng tsa RO.
- Karolo 21 (g): Go latlha seretse sa gauta, metsi a a leswe go tswa mo di-TSF go tsena mo di-RWD, di-PCD, Matamo a Cascade, di-RWD, Di-Settlers, Ditanka tsa Metsi a Moepo, Matamo a Condenser le Matamo a Tsidifatso. Go latlha seretse sa leswe mo malaong a go omisa, go latlha letlapa la leswe mo WRD le go gatelela lerole ka metsi a a leswe go tswa mo RWD e e tlhabolotsweng mo ditseleng tsotlhe tsa go goga.
- Karolo 21 (j): Go tlosa metsi a a fitlhelwang ka fa tlase ga lefatshe go tswela ka bokgoni jwa moepo kgotsa pabalesego ya batho.

Melatswana e e tlhagisiwang ke South Deep JV: South Deep Gold Mine akaretsa matlakala a kakaretso le a a kotsi a a tlhagelelang mo ditirong tsa meepo le tsa go dira. Moela wa matlakala o mogolo go tswa kwa polanteng ya gauta ke masalela, a a bolokwang/a latlhwang kwa Doornpoort TSF, fa karolo ya masalela e dirisiwa jaaka go tlatsa morago mo ditirong tsa meepo e e ka fa tlase ga lefatshe. Melapo e mengwe ya matlakala e akaretsa matlakala a kakaretso a selegae, a a bolokwang ka nakwana mo lefelong pele a isiwa kwa lefelong le le amogetsweng la go dirisa gape kgotsa go latlha matlakala kwa ntle ga lefelo. Matlakala a madirelo, a a nang le didirisiwa tse di kotsi le tse di seng kotsi, a latlhiwa kwa ntle ga lefelo kwa lefelong la matlakala a a kotsi kgotsa kwa lefelong la go latlha matlakala la madirelo la Westonaria (matlakala a a senang kotsi)

Thulaganyo ya Botsayakarolo jwa Setšhaba

Go ya ka Melawana mabapi le ditlhokego tsa tsamaiso tsa di-IWULA le Boikuelo, GNR. 267 ya la bo 24 Mopitlwe 2017, tsamaiso e e latelang ke ya go tsaya karolo ga setšhaba:

17. (1) Tsamaiso ya botsayakarolo jwa setšhaba e tshwanetse go dirwa jaaka go tlhalositswe mo karolong 41(4) ya Molao, jaaka karolo ya thulaganyo ya IWULA. (2) Fa PPP e setse e dirilwe ka dithulaganyo tsa Tshekatsheko ya Diphelelo tsa Tikologo (EIA) kgotsa thulaganyo nngwe le nngwe ya ditherisano le setšhaba, le gore PPP e na le le go akaretsa dintlha tsotlhe tse di amanang le ditiro tsa tiriso ya metsi, gona pegelo eo ya PPP e ka nna, go ikaegilwe ka kamogelo ya bothati jo bo rwalang maikarabelo jwa ditlhokego tsa ILAU, ya romelwa. (3) Kitsiso ya kopo e tshwanetse go neelwa Makoko a a Nang le Kgatlhego le a a Amegang (I&APs) ke:

(a) go baakanya boto ya kitsiso e e kwadilweng mo lefelong le le bonalang le le ka fitlhelwang ke setšhaba kwa molelwane kgotsa mo terateng ya: (i)sefelo se tiro ya tiriso ya metsi e kopo e amanang le yona e dirwang kgotsa e tshwanetseng go dirwa; kgotsa (ii)lefelo lengwe le lengwe le le umakilweng mo kopong.

(b) go neela kitsiso e e kwadilweng go: (i) mong kgotsa motho yo o laolang lefatshe leo, fa mokopi e se mong kgotsa motho yo o laolang lefatshe leo; (ii) baagi ba lefelo le tiriso ya metsi e dirwang kgotsa e tshwanetseng go dirwa mo go lona kgotsa lefelo le lengwe le tiriso ya metsi e tshwanetseng go dirwa mo go lona; (iii) beng le baagi ba lefatshe le le bapileng le lefelo le tiriso ya metsi e dirwang kgotsa e tshwanetseng go dirwa mo go lone kgotsa lefelo le lengwe le tiriso ya metsi e tshwanetseng go dirwa mo go lone; (iv) mokhanselara wa mmasepala wa woto e tiriso ya metsi e dirwang kgotsa e tshwanetseng go dirwa mo go yona kgotsa lefelo le lengwe le tiriso ya metsi e tshwanetseng go dirwa mo go lone le mokgatlho mongwe le mongwe wa badueladireiti ba ba emelang baagi mo lefelong leo; (v) setheo sengwe le sengwe sa puso se se nang le taolo mabapi le karolo nngwe le nngwe ya tiro ya tiriso ya metsi, (vi) motho mongwe le mongwe yo o tlhagisitseng topotuelo e e amogelesegang ya lefatshe mabapi le lefelo le tiro ya tiriso ya metsi e tla dirwang mo go lona; kgotsa (vii) I&AP nngwe le nngwe e nngwe jaaka go tlhokega ke bothati jo bo nang le maikarabelo.

(c) go tsenya papatso mo - (i) kuranta e le nngwe ya selegae, kgotsa (ii) Kasete nngwe le nngwe ya semmuso e e phasaladitsweng ka tlhamalalo ka maikaelelo a go neelana ka kitsiso ya setšhaba ya dikopo kgotsa ditlhagiso tse dingwe tse di dirilweng go ya ka melawana eno.

(d) go baya papatso mo lokwalodikgannyeng lo le longwe lwa porofense kgotsa lokwalodikgang lwa bosetšhaba, fa tiriso ya metsi e na le kgotsa e ka nna le khuetsa e e fetang melelwane ya toropokgolo kgotsa mmasepala wa selegae o e dirwang mo go ona; fa fela temana e e sa tlhoke go latelwa mo papatsong e e beilweng mo Kuranteng ya semmuso e e umakilweng mo molawanapotlana (3)(c)(ii); le

(e) go dirisa mekgwa e mengwe e e utlwalang, jaaka go dumalanwe ke bothati jo bo nang le maikarabelo, mo mabakeng ao motho a eletsang mme a sa kgone go tsaya karolo mo thulaganyong ka ntlha ya - (i) go sa itse go bala le go kwala, kgotsa (ii) bogole. (4) Kitsiso, boto ya dikitsiso kgotsa papatso e e umakilweng mo molawana-potlana (3) e tshwanetse - (a) go neela dintlha tse di lekaneng tsa kopo e e laolang ke botsayakarolo jwa setšhaba; le (b) tlhagisa tse di latelang - (i) gore kopo e isitswe kwa bothating jo bo rwalang maikarabelo go ya ka Melawana e go ya ka fa go ka nnang ka teng; (ii) mofuta le lefelo la tiriso ya metsi e kopo e buang ka yona; (iii) tiriso ya metsi; (iv) fa go ka bonwang tshedimosetso e nngwe ka ga kopo kgotsa tiriso ya metsi; (v) mekgwa o ka ona le motho yo ditlhagiso mabapi le kopo di ka dirwang kwa go ene; (vi) letlha le le totobaditsweng, le le sa feteng malatsi a le 60 morago ga phasalatso ya bofelo ya kitsiso, pele ga lone ditshwaelo tse di kwadilweng kgotsa kganetso di ka tsenngwa; le (vii) aterese e dikganetso tse di kwadilweng di ka tsenngwang kwa go yona.

(5) Boto ya dikitsiso e e umakilweng mo molawanapotlana (3) e tshwanetse, - (a) go nna bogolo jwa bonnye 60 cm ka 42 cm; le (b) bontsha tshedimosetso e e tlhokegang ka bogolo jwa fonto jo bo seng kwa tlase ga 48.

MC mo boemong jwa South Deep JV: South Deep Gold Mine e tsere tsia dikaelo tsotlhe tse di maleba tse di amanang le go tsaya karolo ga setšhaba jaaka go tlhalositswe mo karolong 24J ya Molao. Dikitsiso di ne tsa newa di-I&AP tsotlhe tse di ka nnang teng go tsaya karolo mo porojekeng.

Tshedimosetso ya Tumelelo ya POPIA

Go ya ka Protection of Personal Information Act, 2013 (Act No. 4 of 2013) (POPIA), MC e batla tumelelo ya gago go kokoanya le go dirisa tshedimosetso ya gago ya botho ka maikaelelo a go dira PPP ya porojeke go ya ka Melawana ya EIA, 2014, jaaka e baakantswe. NOTICE IS GIVEN IN TERMS OF A PUBLIC PARTICIPATION PROCESS FOR THE PROPOSED CONSOLIDATION AND AMENDMENT OF THE WATER USE LICENSE (WUL) AND ITS ADDENDUM GRANTED TO SOUTH DEEP JV: SOUTH DEEP GOLD MINE:

DWS REFERENCE NUMBER: WU31462

PUBLIC REVIEW OF THE DRAFT INTEGRATED WATER AND WASTE MANAGEMENT PLAN (IWWMP) FROM FRIDAY, 10 JULY 2026 TO THURSDAY, 10 SEPTEMBER 2026

BACKGROUND INFORMATION DOCUMENT (BID): JULY 2026

PURPOSE OF THIS DOCUMENT

The purpose of this Background Information Document (BID) is to provide you as a potential interested and/or affected party (I&AP) with an overview of the proposed project.

The public participation process (PPP) forms an integral part of the application process for the consolidation and amendment of the Water Use License (WUL) and its addendum granted to the mine. The distribution of this document is a crucial step in advising I&APs on how they can be involved in the process.

The aim of this document is to provide I&APs with the proposed project brief description; legal requirements for the PPP process; notification of I&APs on the availability of the Draft Integrated Water and Waste Management Plan (IWWMP); and to invite I&APs to focus group meetings.

Availability of the Draft IWWMP

The Draft IWWMP is available for public review and comment from **Friday, 10 July 2026 to Thursday, 10 September 2026 (60 days)** on Manyabe Consultancy (Pty) Ltd (MC)'s website (www.manyabeconsultancy.com) and at the following public place:

Location	Contact person details	Operating hours
Thusanang Library Thusanang 2 Community Clinic, Westonaria, 1780	Library Manager: Clement Daniels Cell: 079 500 9158 Librarian: 071237 6331	Mon - Fri: 08h00 - 16h00

To register and for more information on the project, please contact the following person (s):

Manyabe Consultancy (Pty) Ltd (MC): Attention: Mr. Romeo Mpofu
Tel: +2711 863 1079 | Email: romeo@manyabeconsultancy.com |
Physical Address: Corner Paul Smith Street and 10th Avenue |
Unit 269, Ravenswood Mews, Boksburg North, 1459.

Invitation to focus group meetings

In addition to the 60 days' review period, all I&APs are invited to attend focus group meetings as per the details below:

INVITATION TO FOCUS GROUP MEETINGS, FOR THE REVIEW OF THE DRAFT IWWMP

Venue	Date	Times
Two (2) Public meetings for the general public:		
Lido Lodge along R28	22 July 2026	10:00 - 12:00
Westonaria Public Library	22 July 2026	14:00 - 16:00
Two (2) focus group meetings to be convened online (via MS Teams) for the following groups of stakeholders:		
Service Providers Industry and Government Non-Governmental Organisations	24 July 2026	10:00 - 12:00

INTRODUCTION AND BACKGROUND

Gold Fields Operations Limited (GFO) and GFI Joint Venture Holdings (Pty) Limited (GFI Holdings) acting jointly in their capacities as participants in an unincorporated joint venture (JV) known as South Deep JV: South Deep Gold Mine appointed Manyabe Consultancy (Pty) Ltd (hereinafter referred to as MC), as a Professional Service Provider (PSP) - Environmental Assessment Practitioner (EAP), to consolidate and amend the WUL and its addendum, granted to South Deep JV: South Deep Gold Mine.

The mine is located in Westonaria, Rand West City Local Municipality (RWCLM), within the West Rand District Municipality (WRDM). South Deep Gold Mine is situated in the magisterial district of Westonaria, approximately 45 km south-west of Johannesburg and 10 km south of Westonaria, in the Gauteng Province as indicated in Figure 1. It is accessed via the R28 provincial road between Westonaria and Vereeniging or from the N12 provincial road between Johannesburg and Potchefstroom and is located in the major gold mining region of South Africa, the Witwatersrand Basin.

The main properties on which the mine falls are Doornpoort 347 IQ; and Modderfontein 345 IQ. The mine lease area is shown in Figure 2. While the Doornpoort Tailings Storage Facility (TSF) lies outside of the mine lease area, it is located on property that is owned by the mine as indicated in the Freehold areas in Figure 3. The South Deep Gold Mine boundary area comprises of an area of approximately 7 452 hectares. The mine has been operational since the 1970s. The current Life of Mine (LoM) is estimated to be 76 years (2098). It is estimated that the South Deep Gold Mine contains more than 80 470 gold bullion bars of golds, which can be mined by means of underground mining methods during the 76 years of current LoM. The extent of mine activity is depicted in Figure 1.

South Deep JV: South Deep Gold Mine is the holder of the Mining Right (MR) which was granted by the Department of Mineral and Petroleum Resources (DMPR) in 2010. The MR affords South Deep JV: South Deep Gold Mine the right to mine gold, silver, nickel, uranium, copper and pyrite. The MR was converted in terms of Item 7 of Schedule II of the Mineral and Petroleum Resources Development Act, 2002 (Act No. 28 of 2002) (MPRDA) in respect of a mining area measuring 4,268 hectares, registered in the Mineral and Petroleum Titles Registration Office and is valid for the period ending 12 July 2040.

South Deep JV: South Deep Gold Mine was originally granted a WUL in terms of Chapter 4 of the National Water Act, 1998 (Act No. 36 of 1998) (NWA) on 21 November 2011 (License number:

03/C22J/ACFGIJ/1369). From 2016 to 2017, South Deep JV: South Deep Gold Mine identified some errors on the issued WUL, i.e., the amendments to quantities which were contrary to what was applied for. Other amendments included the addition of scavenger boreholes, mainly established to control the pollution plume around the TSFs and Return Water Dams (RWDs), for the removal and containment of contamination from the TSFs by abstracting contaminated water from the aquifers. The WUL was issued on 19 November 2018 (which supersedes the 2011 WUL) (License number: 08/C22J/GCEFIJA/8705). The 2018 WUL also had errors. An addendum to the issued WUL was issued on 29 July 2021.

The WUL authorises the following water uses, under Section 21 of the act:

- (a) Taking of water from a water resource.
- (c) Impeding or diverting the flow of water in a watercourse.
- (e) Engaging in a controlled activity.
- (f) Discharging waste or water containing waste into a water resource through a pipe, canal, canal, sewer or other conduit.
- (g) Discharging waste or water containing waste into a water resource.
- (i) Altering the bed, banks course or characteristics of a watercourse.
- (j) Removing, discharging or disposing of water found underground if it is necessary for the efficient continuation of an activity or for the safety of people.

South Deep JV: South Deep Gold Mine has been operational for over 50 years and is engaged in underground mining comprising one metallurgical plant and two operating shaft systems: South Shaft complex and Twin Shaft complex. The South Shaft complex includes a main shaft and three sub-vertical shafts, two of which are operational. The Twin Shaft complex consists of a single-barrel main shaft for hoisting personnel, rock materials and an adjacent bratticed ventilation shaft, used for both drawing used air and hoisting rock. The South Shaft complex operates to a depth of 2 650 metres below surface, and the Twin Shaft complex operates to a depth of 2 995 metres below surface.

South Deep JV: South Deep Gold Mine's workings are at depth and therefore require significant cooling infrastructure. The South Deep JV: South Deep Gold Mine operation has access to the national electricity grid, the mine's Khanyisa solar grid, water and road infrastructure and is located near regional urban centres where it can obtain needed supplies and services.

As part of the Integrated Water Use License Application (IWULA) process, MC compiled the IWWMP for the proposed WUL and its addendum amendments, and consolidation project. The IWWMP is part of the application for IWULA for the proposed WUL and its addendum amendments, and consolidation project.

LOCALITY

The mine is located in Westonaria, in the RWCLM, within the WRDM. South Deep Gold Mine is situated in the magisterial district of Westonaria, approximately 45 km south-west of Johannesburg and 10 km south of Westonaria, in the Gauteng Province as indicated in Figure 1. It is accessed via the R28 provincial road between Westonaria and Vereeniging or from the N12 provincial road between Johannesburg and Potchefstroom and is located in the major gold mining region of South Africa, the Witwatersrand Basin.

South Deep JV: South Deep Gold Mine is the holder of the MR for the properties within the South Deep Gold Mine boundary area. Below is a list of farms owned by South Deep JV: South Deep Gold Mine, within which the authorised and proposed water uses exist:

- Portion 3 of Farm Modderfontein 345IQ
- Portion 10 of Farm Modderfontein 345IQ
- Portion 12 of Farm Modderfontein 345IQ
- Portion 20 of Farm Modderfontein 345IQ
- Portion 21 of Farm Modderfontein 345IQ
- Portion 29 of Farm Modderfontein 345IQ
- Portion 30 of Farm Modderfontein 345IQ
- Portion 41 of Farm Modderfontein 345IQ
- Portion 44 of Farm Modderfontein 345IQ
- Portion 52 of Farm Modderfontein 345IQ
- Portion 65 of Farm Modderfontein 345IQ
- Portion 70 of Farm Modderfontein 345IQ
- Portion 1 of Farm Doornpoort 347IQ
- Portion 7 of Farm Doornpoort 347IQ
- Portion 20 of Farm Doornpoort 347IQ
- Portion 21 of Farm Doornpoort 347IQ
- Portion 34 of Farm Doornpoort 347IQ
- Portion 39 of Farm Doornpoort 347IQ
- Portion 45 of Farm Doornpoort 347IQ
- Portion 51 of Farm Doornpoort 347IQ
- Portion 50 of Farm Doornpoort 347IQ
- Portion 52 of Farm Doornpoort 347IQ

PROPOSED WATER USES

The IWULA process is being conducted in compliance with the WULA and Appeals Regulations published in GNR. 267 dated 24 March 2017.

A pre-application enquiry was submitted to the Department of Water and Sanitation (DWS) on 17 July 2023. A request for a pre-application meeting was received on 11 August 2023. A site visit/ meeting with the DWS officials was convened on 31 August 2023. From the site visit/ meeting, MC was requested by the DWS to submit on behalf of South Deep JV: South Deep Gold Mine, an IWULA for the consolidation and amendment of the WULs granted to South Deep JV: South Deep Gold Mine. DWS also advised that South Deep JV: South Deep Gold Mine also considers investigating water uses within the entire mine, so that a consolidated application is submitted for the issuance of an amended Integrated Water Use License (IWUL), which would cover all water uses which might not have been authorised.

MC conducted five (5) days of site visits in the presence of the South Deep JV: South Deep Gold Mine team. The site visits were undertaken to understand the receiving environment and the current activities. A screening exercise has been undertaken to determine the applicable activities and the relevant legislation and necessity for application to be lodged with the DWS.

An authority's meeting was convened with the DWS on 09 May 2025 to present the findings of the investigation/ assessment of the water uses within the entire mine. MC was advised to submit the Phase 1 documentation, outlining all the water uses identified (authorised and to be authorised). Phase 1 Application: Application details on the outcome of the pre-application meeting were uploaded. The documentation was submitted on 06 November 2025.

Another site visit was conducted on 10 February 2026, in the presence of the DWS representatives and South Deep: South Deep Gold Mine representatives. Based on the outcome of the meeting, DWS reopened Phase 1 for submission of additional information; and correction of the water uses being applied for on 13 May 2026.

The Draft IWWMP is being subjected to PPP for commenting and forms part of the application for Phase 3 submission. The report is being made available for a 60-day review and comment period from **Friday, 10 July 2026 to Thursday, 10 September 2026 (60 days)**. The IWWMP will be finalised for submission to DWS as part of the technical documents for decision making.

The proposed WUL and its addendum amendments, and consolidation project requires a Section 21 (a), (b), (c), (e), (f), (g), (i), (j) WULA, for the following water uses.

LEGAL REQUIREMENTS

The proposed application seeks to require authorisation for the following water uses:

Summary of Key Water Uses and Waste Streams

Currently, under the 2018 WUL and its addendum, South Deep JV: South Deep Gold Mine is authorised for the following water uses under Section 21 of the NWA:

- Section 21 (a): For the abstraction of water to reduce the pollution plume; and for mining purposes.
- Section 21 (c) and (i): For roads and pipelines crossings, river diversion and for stormwater separation system.
- Section 21 (e): For irrigation of TSFs and shaft areas with water from RWDs, Pollution Control Dams (PCDs) and Wastewater Treatment Works (WWTW).
- Section 21 (f): For discharge of excess underground water.
- Section 21 (g): For disposal of gold slurry, waste water from the TSFs into RWDs, PCDs, Cascade Dams, RWDs, Settlers, and Mine Water Tanks.
- Section 21 (j): For the removal of water found underground for the efficient continuation of mine or safety of the people.

The proposed WUL and its addendum amendments, and consolidation project require authorisation for additional water uses under Section 21(a),(b),(c),(e),(f),(g),(i) and (j), as follows:

- Section 21 (a): For the abstraction of water to reduce the pollution plume, and for mining purposes, as well as for sumps for the collection of stormwater from the Doornpoort TSF for disposal into the RWD.
- Section 21 (b): For storage of Potable Water in Potable Water Reservoirs.
- Section 21 (c) and (i): For roads and pipelines crossings, river diversion and flow meter installation in the diversion, topsoil stockpile, old RWD decommissioning and Wetland Rehabilitation, WWTW, RWD upgrade, Backfill Plant Area (x5 Mine Water Tanks), discharge of treated water from the Reverse Osmosis (RO Plants), South Shaft: 2x pipes (to transport water to the Twin and the South Shaft), Khanyisa Solar Plant, Twin Shaft and associated infrastructure, South Shaft and Associated Infrastructure.
- Section 21 (e): For irrigation of TSFs and shaft areas with water from RWDs, PCDs and treated effluent from the WWTW.
- Section 21 (f): For discharge of treated sewage effluent, as well as discharge of excess underground water and treated water from the RO Plants.
- Section 21 (g): For disposal of gold slurry, wastewater from the TSFs into RWDs, PCDs, Cascade Dams, RWDs, Settlers, Mine Water Tanks, Condenser Dams and Refrigeration Dams. For disposal of sewage sludge into the drying beds, disposal of waste rock into the WRD and dust suppression with wastewater from upgraded RWD on all haul roads.
- Section 21 (j): For the removal of water found underground for the efficient continuation of mine or safety of the people.

The waste streams generated by South Deep JV: South Deep Gold Mine include both general and hazardous wastes arising from mining and processing activities. The primary waste stream from the gold plant is tailings, which are stored/disposed of at the Doornpoort TSF, while a portion of the tailings is used as backfill in underground mined workings. Other waste streams include general domestic waste, which is temporarily stored on-site before being transported to an approved off-site waste recycling or disposal facility. Industrial waste, comprising both hazardous and non-hazardous materials, is disposed of off-site at hazardous waste site or Westonaria Industrial waste disposal facility (non-hazardous waste)

Public Participation Process

According to Regulations regarding the procedural requirements for IWULAs and Appeals, GNR. 267 of 24 March 2017, the following is the procedure for public participation:

17. (1) A procedure for public participation must be conducted as contemplated in section 41(4) of the Act, as part of the IWULA process. (2) Where a PPP has already been undertaken through the Environmental Impact Assessment (EIA) processes or any other public consultation process, and that PPP contains and covers all issues pertaining to water use activities, then that PPP report may, subject to approval by the responsible authority, be submitted for the requirements of the IWULA. (3) Notice of the application must be provided to Interested and Affected Parties (I&APs) by:

(a) fixing a written notice board at a visible and accessible place to the public at the boundary or on the fence of: (i)the site where the water use activity to which the application relates is or is to be undertaken; or (ii)any alternative site mentioned in the application.

(b) giving written notice to: (i)the owner or person in control of that land, if the applicant is not the owner or person in control of that land; (ii)the occupiers of the site where the water use is or is to be undertaken or an alternative site where the water use is to be undertaken; (iii)owners and occupiers of land adjacent to the site where the water use is or is to be undertaken or an alternative site where the water use is to be undertaken; (iv)the municipal councillor of the ward in which the water use is or is to be undertaken or an alternative site where the water use is to be undertaken and any organisation of ratepayers that represent the community in the area; (v)any organ of state having jurisdiction in respect of any aspect of the water use activity, (vi)any person who has submitted a valid land claim in respect of the area in which the water use activity will be conducted; or (vii)any other I&AP as required by the responsible authority.

(c) placing an advertisement in - (i)one local newspaper, or (ii)any official Gazette that is published specifically for the purpose of providing public notice of applications or other submissions made in terms of these regulations.

(d) placing an advertisement in at least one provincial newspaper or national newspaper, if the water use has or may have an impact that extends beyond the boundaries of the metropolitan or local municipality in which it is undertaken; provided that this paragraph need not be complied with in an advertisement has been placed in an official Gazette referred to in sub -regulation (3)(c)(ii); and

(e) using reasonable alternative methods, as agreed to by the responsible authority, in those instances where a person is desirous of but is unable to participate in the process due to - (i) illiteracy, or (ii) disability. (4) A notice, notice board or advertisement referred to in sub -regulation (3) must – (a) give adequate details of the application which is subject to public participation; and (b) state the following - (i) that the application has been submitted to the responsible authority in terms of these Regulations as the case may be; (ii) the nature and locality of the water uses to which the application refers; (iii) the water uses; (iv) where further information on the application or water uses may be obtained; (v) the manner in which and the person to whom representations in respect of the application can be made; (vi) a specified date, no more than 60 days after the last publication of a notice, before which written comments or objection may be lodged; and (vii) an address to which written objections may be lodged.

(5) A notice board referred to in sub -regulation (3) must, - (a) be of a size at least 60 cm by 42 cm; and (b) display the required information in a font size of not less than 48.

MC on behalf of South Deep JV: South Deep Gold Mine took into account all relevant guidelines applicable to public participation as contemplated in section 24J of the Act. Notices were given to all potential I&APs to participate in the project.

POPIA Consent Information

In terms of the Protection of Personal Information Act, 2013 (Act No. 4 of 2013) (POPIA), MC seeks your consent to collect and use your personal information for purposes of conducting the project's PPP in terms of the EIA Regulations, 2014, as amended. The Draft IWWMP that is being subjected to public review will be finalised and submitted to the DWS, to reflect all comments that would have been received from all I&APs.

In the context of the overall project and the PPP, all I&APs personal information will include: (i) full name (s) and surname; (ii) email address (es); and (iii) comments, concerns or objections submitted (if any) during the PPP. MC would like to request for your consent for the circulation of your personal information to South Deep JV: South Deep Gold Mine and the relevant Competent Authorities (CAs). To ensure compliance with POPIA, a consent form will be circulated in due course.
